Introduction

The Lumen Learning Trust puts the children's needs at the heart of its provision. Our whole school community is committed to enabling the children to become successful lifelong learners and happy, fulfilled adults who can make positive choices about their future.

1. Aims

Lumen Learning Trust aims to ensure that each school within the Trust:

- Has a suitable member of staff appointed as the designated teacher for looked-after and previously looked-after children;
- Has a designated teacher who promotes the educational achievement of looked-after and previously looked-after children, and supports other staff members to do this too;
- Has staff, parents, carers and guardians who are aware of the identity of the designated teacher, how to contact them and what they are responsible for.

2. Legislation and statutory guidance

This policy is based on the Department for Education's [statutory guidance on the designated teacher for looked-after and previously looked-after children](#).

It also takes into account [section 2E](#) of the Academies Act 2010.

3. Definitions

Looked-after children are registered pupils that are:

- In the care of a local authority, or
- Provided with accommodation by a local authority in the exercise of its social services functions, for a continuous period of more than 24 hours.

Previously looked-after children are registered pupils that fall into either of these categories:

- They were looked after by a local authority but ceased to be as a result of any of the following:
 - A child arrangements order, which includes arrangements relating to who the child lives with and when they are to live with them;
 - A special guardianship order;
 - An adoption order.
- They appear to the governing board to have:
 - Been in state care in a place outside of England and Wales because they would not have otherwise been cared for adequately, and
 - Ceased to be in that state care as a result of being adopted.

Personal education plan (PEP) is part of a looked-after child's care plan that is developed with the school. It forms a record of what needs to happen and who will make it happen to ensure the child reaches their full potential.

Virtual school head (VSH) is a local authority officer responsible for promoting the educational achievement of their authority's looked-after children, working across schools to monitor and support these pupils as if they were in a single school. The VSH is also responsible for providing information and advice to schools, parents and guardians in respect of previously looked-after children.

4. Identity of our designated teacher

Each school with the Lumen Learning Trust has a designated teacher. The designated teacher name and contact details can be obtained by contacting the relevant school office.

Our designated teacher takes lead responsibility for promoting the educational achievement of looked-after and previously looked-after children at our school. They are your initial point of contact for any of the matters set out in the section below.

As well as our designated teacher, each school has in place a pastoral team comprising of Home School Link Worker (HSLW) and Emotional Literacy Support Assistant (ELSA) who support the emotional needs of looked after and previously looked after children to build and strengthen their capacity to learn and thrive.

The Lumen Learning Trust Pastoral Co-ordinator supports each school's pastoral team and works in conjunction with the designated teacher.

5. Role of the designated teacher & pastoral team

The following is based on the responsibilities listed in the DfE's statutory guidance. Although the designated teacher must always have lead responsibility, school pastoral teams have delegated responsibilities to ensure 360 degree support is in place for each child.

5.1 Leadership responsibilities

The designated teacher will:

- Act as a central point of initial contact within the school for any matters involving looked-after and previously looked-after children;
- Promote the educational achievement of every looked-after and previously looked-after child on roll by:
 - Working with the relevant VSH
 - Promoting a whole school culture where the needs of these pupils matter and are prioritised
- Take lead responsibility for ensuring school staff understand:
 - The things which can affect how looked-after and previously looked-after children learn and achieve
 - How the whole school supports the educational achievement of these pupils
- Contribute to the development and review of whole school policies to ensure they consider the needs of looked-after and previously looked-after children;
- Promote a culture in which looked-after and previously looked-after children are encouraged and supported to engage with their education and other school activities;
- Act as a source of advice for teachers about working with looked-after and previously looked-after children;
- Work directly with looked-after and previously looked-after children and their carers, parents and guardians to promote good home-school links, support progress and encourage high aspirations;
- Have lead responsibility for the development and implementation of looked-after children's PEPs;
- Work closely with the school's designated safeguarding lead to ensure that any safeguarding concerns regarding looked-after and previously looked-after children are quickly and effectively responded to;
- Involve parents and guardians of previously looked-after children in decisions affecting their child's education.

The Pastoral team will:

- Promote a culture in which looked-after and previously looked-after children are encouraged and supported to engage with their education and other school activities;
- Act as a source of advice for teachers about working with looked-after and previously looked-after children;
- Work directly with looked-after and previously looked-after children and their carers, parents and guardians to promote good home-school links, support progress and encourage high aspirations;
- Work closely with the school's designated safeguarding lead to ensure that any safeguarding concerns regarding looked-after and previously looked-after children are quickly and effectively responded to.

5.2 Supporting looked-after children

The designated teacher will:

- Make sure looked-after children's PEPs meet their needs by working closely with other teachers to assess each child's specific educational needs;
- Have overall responsibility for leading the process of target-setting in PEPs;
- Monitor and track how looked-after children's attainment progresses under their PEPs;
- If a child is not on track to meet their targets, be instrumental in agreeing the best way forward with them, their carers, parents and Inclusion Manager, in order to make progress, and ensure that this is reflected in their PEP;
- Ensure the identified actions of PEPs are put in place;
- During the development and review of PEPs, help the school and relevant local authority decide what arrangements work best for pupils;
- Ensure that:
 - A looked-after child's PEP is reviewed before the statutory review of their care plan – this includes making sure the PEP is up to date and contains any new information since the last PEP review, including whether agreed provision is being delivered;
 - PEPs are clear about what has or has not been taken forward, noting what resources may be required to further support the child and from where these may be sourced;
 - The updated PEP is passed to the child's social worker and VSH ahead of the statutory review of their care plan.
- Transfer a looked-after child's PEP to their next school or college, making sure it is up to date and that the local authority responsible for looking after them has the most recent version.

The Pastoral team will:

- If a child is not on track to meet their targets, be instrumental in agreeing the best way forward with their carers and parents, in order to make progress, and ensure that this is reflected in their PEP.

5.3 Supporting both looked-after children and previously looked-after children

The designated teacher will:

- Ensure the specific needs of looked-after and previously looked-after children are understood by staff and reflected in how the school uses pupil premium funding;
- Work with the VSH to agree how pupil premium funding for looked-after children can most effectively be used to improve their attainment;
- Help raise the awareness of parents and guardians of previously looked-after children about pupil premium funding and other support for these children;
- Play a key part in decisions on how pupil premium funding is used to support previously looked-after children;
- Encourage parents' and guardians' involvement in deciding how pupil premium funding is used to support their child, and be the main contact for queries about its use;
- Ensure teachers have awareness and understanding of the specific needs of looked-after and previously looked-after children in areas like attendance, homework, behaviour and future career planning;
- Be aware of the special educational needs (SEN) of looked-after and previously looked-after children, and make sure teachers also have awareness and understanding of this;
- Make sure PEPs work in harmony with any education, health and care (EHC) plans that a looked-after child may have;
- Ensure that, with the help of the VSH, they have the skills to identify signs of potential SEN issues in looked-after and previously looked-after children, and know how to access further assessment and support where necessary;
- Ensure that they and other staff can identify signs of potential mental health issues in looked-after and previously looked-after children and understand where the school can draw on specialist services;
- Put in place mechanisms for understanding the emotional and behavioural needs of previously looked-after children.

The Pastoral team:

- Ensure the [SEND code of practice](#), as it relates to looked-after children, is followed;
- Put in place robust arrangements using the child's voice to inform PEP decision making before a plan is set and implemented.

- Help raise the awareness of parents and guardians of previously looked-after children about pupil premium funding and other support for these children;
- Ensure that they and other staff can identify signs of potential mental health issues in looked-after and previously looked-after children and understand where the school can draw on specialist services;
- Put in place mechanisms for understanding the emotional and behavioural needs of previously looked-after children.

5.4 Relationships beyond the school

The designated teacher will:

- Proactively engage with social workers and other professionals to enable the school to respond effectively to the needs of looked-after and previously looked-after children;
- Discuss with social workers how the school should engage with birth parents, and ensure the school is clear about who has parental responsibility and what information can be shared with whom;
- Be open and accessible to parents and guardians of previously looked-after children and encourage them to be actively involved in their children's education;
- Proactively build relationships with local authority professionals, such as relevant VSHs and SEN departments;
- Consider how the school works with others outside of the school to maximise the stability of education for looked-after children, such as:
 - Finding ways of making sure the latest information about educational progress is available to contribute to the statutory review of care plans;
 - Ensuring mechanisms are in place to inform the relevant VSH when looked-after children are absent without authorisation and work with the responsible authority to take appropriate safeguarding action;
 - Talking to the child's social worker and/or other relevant parties in the local authority regarding any decisions about changes in care placements which will disrupt the child's education, providing advice about the likely impact and what the local authority should do to minimise disruption;
 - Making sure that, if a looked-after child moves school, their new designated teacher receives any information needed to help the transition process.
- Seek advice from the relevant VSH about meeting the needs of individual previously looked-after children, but only with the agreement of their parents or guardians;
- Make sure that for each looked-after child:
 - There's an agreed process for how the school works in partnership with the child's carer and other professionals, such as their social worker, in order to review and develop educational progress;
 - School policies are communicated to their carer and social worker and, where appropriate, birth parents;
 - Teachers know the most appropriate person to contact where necessary, such as who has the authority to sign permission slips.
- Where a looked-after child is at risk of exclusion:
 - Contact the VSH as soon as possible so they can help the school decide how to support the child to improve their behaviour and avoid exclusion becoming necessary;
 - Work with the VSH and child's carers to consider what additional assessment and support needs should be put in place to address the causes of the child's behaviour.
- Where a previously looked-after child is at risk of exclusion, talk to the child's parents or guardians before seeking advice from the relevant VSH on avoiding exclusion.

The Pastoral team will:

- Proactively engage with social workers and other professionals to enable the school to respond effectively to the needs of looked-after and previously looked-after children;
- Discuss with social workers how the school should engage with birth parents, and ensure the school is clear about who has parental responsibility and what information can be shared with whom;
- Be open and accessible to parents and guardians of previously looked-after children and encourage them to be actively involved in their children's education;
- Proactively build relationships with local authority professionals, such as VSHs and SEN departments;

- Consider how the school works with others outside of the school to maximise the stability of education for looked-after children, such as:
 - Ensuring mechanisms are in place to inform the relevant VSH when looked-after children are absent without authorisation and work with the responsible authority to take appropriate safeguarding action;
 - Talking to the child's social worker and/or other relevant parties in the local authority regarding any decisions about changes in care placements which will disrupt the child's education, providing advice about the likely impact and what the local authority should do to minimise disruption.
