Who can make a complaint?

The Trust has adopted this policy to allow parents and carers of pupils attending any of the Lumen Learning Trust schools, nurseries or LAN centre, to raise a concern or complaint, unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions, see page 5).

The policy applies to complaints from each of the following:

- Parents of current pupils;
- Parents of former pupils, if the complaint was initially raised when the pupil was registered as a pupil at the School, or within three months of the pupil being off-rolled
- Non parents - The Trust will also usually follow this policy when dealing with complaints from others but reserves the right to substitute this policy for an alternative process where it is appropriate to do so.

The complaints policy is based on Part 7 of the Education (Independent School Standards) Regulations 2014.

The Trust also reserves the right to substitute this policy for an alternative process when complaints are vexatious, when complainants are unreasonably persistent or the behaviour of complainants is unreasonable.

Conflict between estranged parents, over the application of parental responsibility, is a common cause of complaints made to schools. The legal definition of parent differs in education and family law. The Lumen Learning Trust does not favour one parent over another unless there are serious safeguarding or legal reasons for doing so, which can be evidenced.

The difference between a concern and a complaint

A concern may be defined as *'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'*.

A complaint may be defined as *'an expression of dissatisfaction however made, about actions taken or a lack of action'*.

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. The Lumen Learning Trust takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, you will be referred to an appropriate alternative staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, you will be referred to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, The Lumen Learning Trust will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

How to raise a concern or make a complaint

A concern can be raised in person, in writing or by telephone. They may also be made by a third party acting on behalf of the person with the concern, as long as they have appropriate consent to do so. Concerns should be raised with either the Class Teacher or Headteacher.

If the issue remains unresolved, the next step is to make a formal complaint, using the Complaint form (Appendix B).

Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at a later stage of the procedure.

Template complaint forms are included at the end of the policy. If you require help in completing the form, please contact the school office. You can also ask a third-party organisation such as the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

Anonymous complaints

We will not normally investigate anonymous complaints. However, the Headteacher, Chair of Governors, Executive Principal or Chair of Directors, as appropriate, will determine whether the complaint warrants an investigation.

Timescales for raising a complaint

You must raise the complaint within **three months** of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame only if exceptional circumstances apply.

Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

Audio or video evidence

Complainants should make sure they obtain informed consent from all parties present before recording conversations or meetings. In line with DfE guidance, we do not normally accept electronic recordings as evidence when we are asked to consider a complaint. Unless exceptional circumstances apply, we will not accept, as evidence, recordings of conversations that were obtained covertly and without informed consent of all parties being recorded.

Deviation from the procedure

There may be occasions when it's necessary or reasonable to deviate from the published complaints procedure. In these cases, the complainant will be kept informed and reasons for the deviation given.

Regulatory Framework

This policy has been prepared to meet the Trust's responsibilities under:

Statutory framework for the Early Years Foundation Stage (DfE, March 2017);
Education and Skills Act 2008;
Children Act 1989;
Childcare Act 2006;
Data Protection Act 2018 and General Data Protection Regulation (GDPR); and
Equality Act 2010.

Publication and availability

- Information is available on the School websites and the policy is published on the Trust's website
- This policy is available in hard copy on request.
- A copy of this policy is available for inspection from the Trust's office during the school day.
- This policy can be made available in large print or other accessible format if required.

Scope of this complaints procedure

These types of complaint are subject to other statutory procedures that are separate from this general complaints procedure:

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations. If this happens, we will inform you of a proposed new timescale.

If a complainant commences legal action against The Lumen Learning Trust or the individual school in relation to their complaint, we will consider whether to suspend the complaints procedure until those legal proceedings have concluded.

Resolving complaints

At each stage in the procedure, the Trust wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained about will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

In addition, mediation can provide a helpful mechanism for discussion when a complaint is raised, and can help to rebuild the relationship between parties once all of the investigative stages of the complaints procedure have been complete.

Withdrawal of a complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

Definitions and interpretation

Where the following words or phrases are used in this policy:

- References to the **Trust** are references to Lumen Learning Trust, the multi academy trust responsible for the School
- References to **school days** mean Monday to Friday, when the School is open to pupils during term time. The dates of terms are published on the School's website.
- References to **Parent** or **Parents** means the natural or adoptive parents of the pupil (irrespective of whether they are or have ever been married, with whom the pupil lives, or whether they have contact with the pupil) as well as any person who is not the natural or adoptive parent of the pupil, but who has care of, or parental responsibility for, the pupil (e.g. legal guardian).

Informal concerns and complaints

It is to be hoped that most concerns can be expressed and resolved on an informal basis, within **10 school days**.

Concerns should be raised with either the Class Teacher, year head/subject head or Headteacher. Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at a later stage of the procedure.

Who to contact

Where appropriate, complaints should initially be raised as follows:

- **Educational issues:** if the matter relates to the classroom, the curriculum or special educational needs, please speak or write initially to the Class Teacher. Your complaint may be passed to a more senior member of staff if appropriate;
- **Pastoral care:** for complaints relating to matters outside the classroom, please speak or write to the Class Teacher or Home School Link Worker;
- **Disciplinary matters:** a problem over any pupil disciplinary action taken or a sanction imposed should be raised first of all with the Class Teacher;
- **Financial matters:** a query relating to fees or extras should be addressed in writing to the School Business Manager.

An informal complaint will be acknowledged by telephone, email or letter within **5 school days** of receipt, indicating the action that is being taken and the likely timescales. Such action may include an investigation and/or a meeting with the Parent.

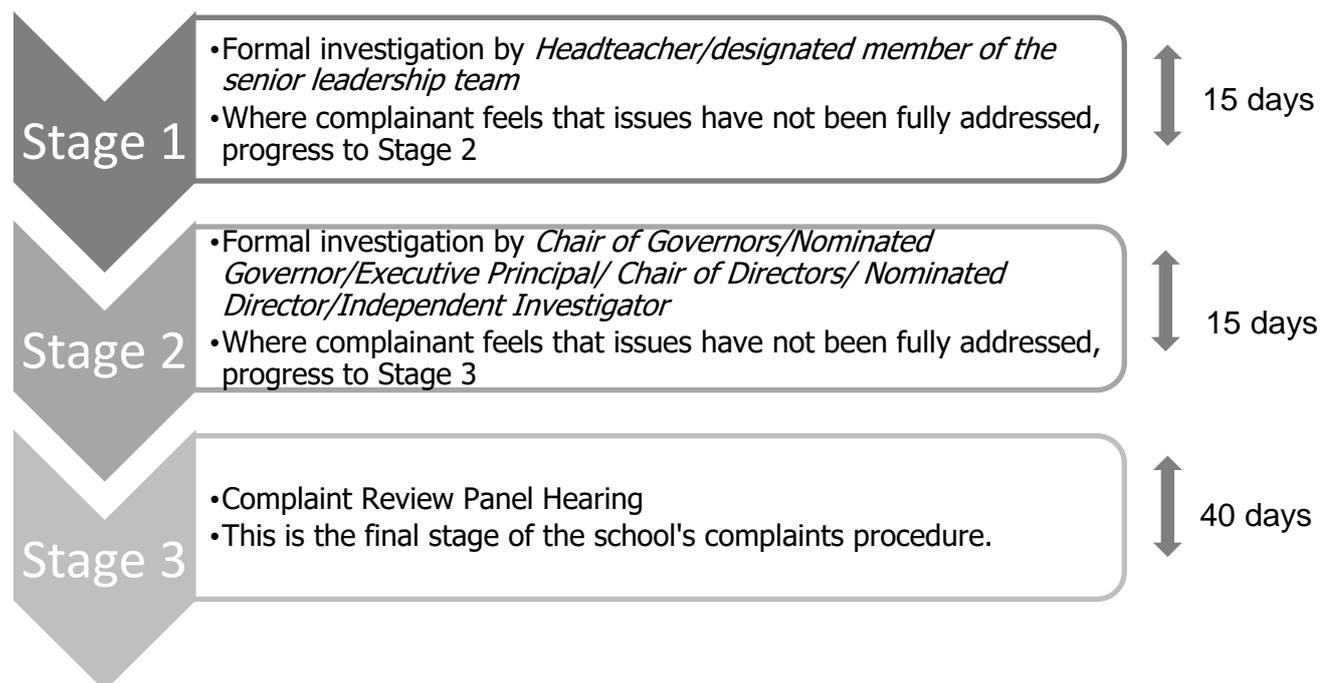

Wherever appropriate, the School will ask the Parent at the earliest stage what they think might resolve the issue.

The Parent will receive a response to the complaint within **15 school days**.

If the Parent is dissatisfied with the response to the informal complaint or in the event that the complaint cannot be resolved by informal means, the Parent may make a formal complaint under Stage 1 of the Trust's Formal Complaint Procedure.

Formal complaints

Summary of timeline for formal complaints

We expect that most concerns can be resolved informally. We request that prior to entering into any formal process, the complainant requests a meeting with the school to enable both parties to discuss concerns with the aim of resolution before further steps are taken. The aim of the process is to resolve the complaint and achieve reconciliation between the school and the complainant. We recognise that the complainant might not be satisfied with the outcome if it does not find in their favour. It may only be possible to establish the facts and make recommendations.

We ask that you do not discuss your concerns on social networking sites (e.g. Facebook). This can be potentially damaging for the school and/or its pupils, can reach a much wider audience than you might have intended, and more importantly does not give the school the opportunity to resolve the issue. Should a complainant choose to discuss their concern on a social networking site, the school will question the complainant's commitment to finding an appropriate resolution to the complaint.

Stage 1 Headteacher Investigation

- Acknowledgement of receipt of complaint to be sent within 5 days of receipt of the complaint.
- Complaint to be investigated and written response to be received by complainant within 15 days of receipt of the formal complaint.

Stage 2 Governor / Executive Principal / Chair of Directors Investigation

- If the complainant believes that their complaint has not been fully addressed at Stage 1, they may request to move to Stage 2. This request must be made within **10 days** of the receipt of the outcome letter at Stage 1.
- Acknowledgement of receipt of complaint to be sent within 5 days of receipt of the complaint.
- Complaint to be investigated and written response to be received by complainant within 15 days of receipt of the Stage 2 formal complaint.

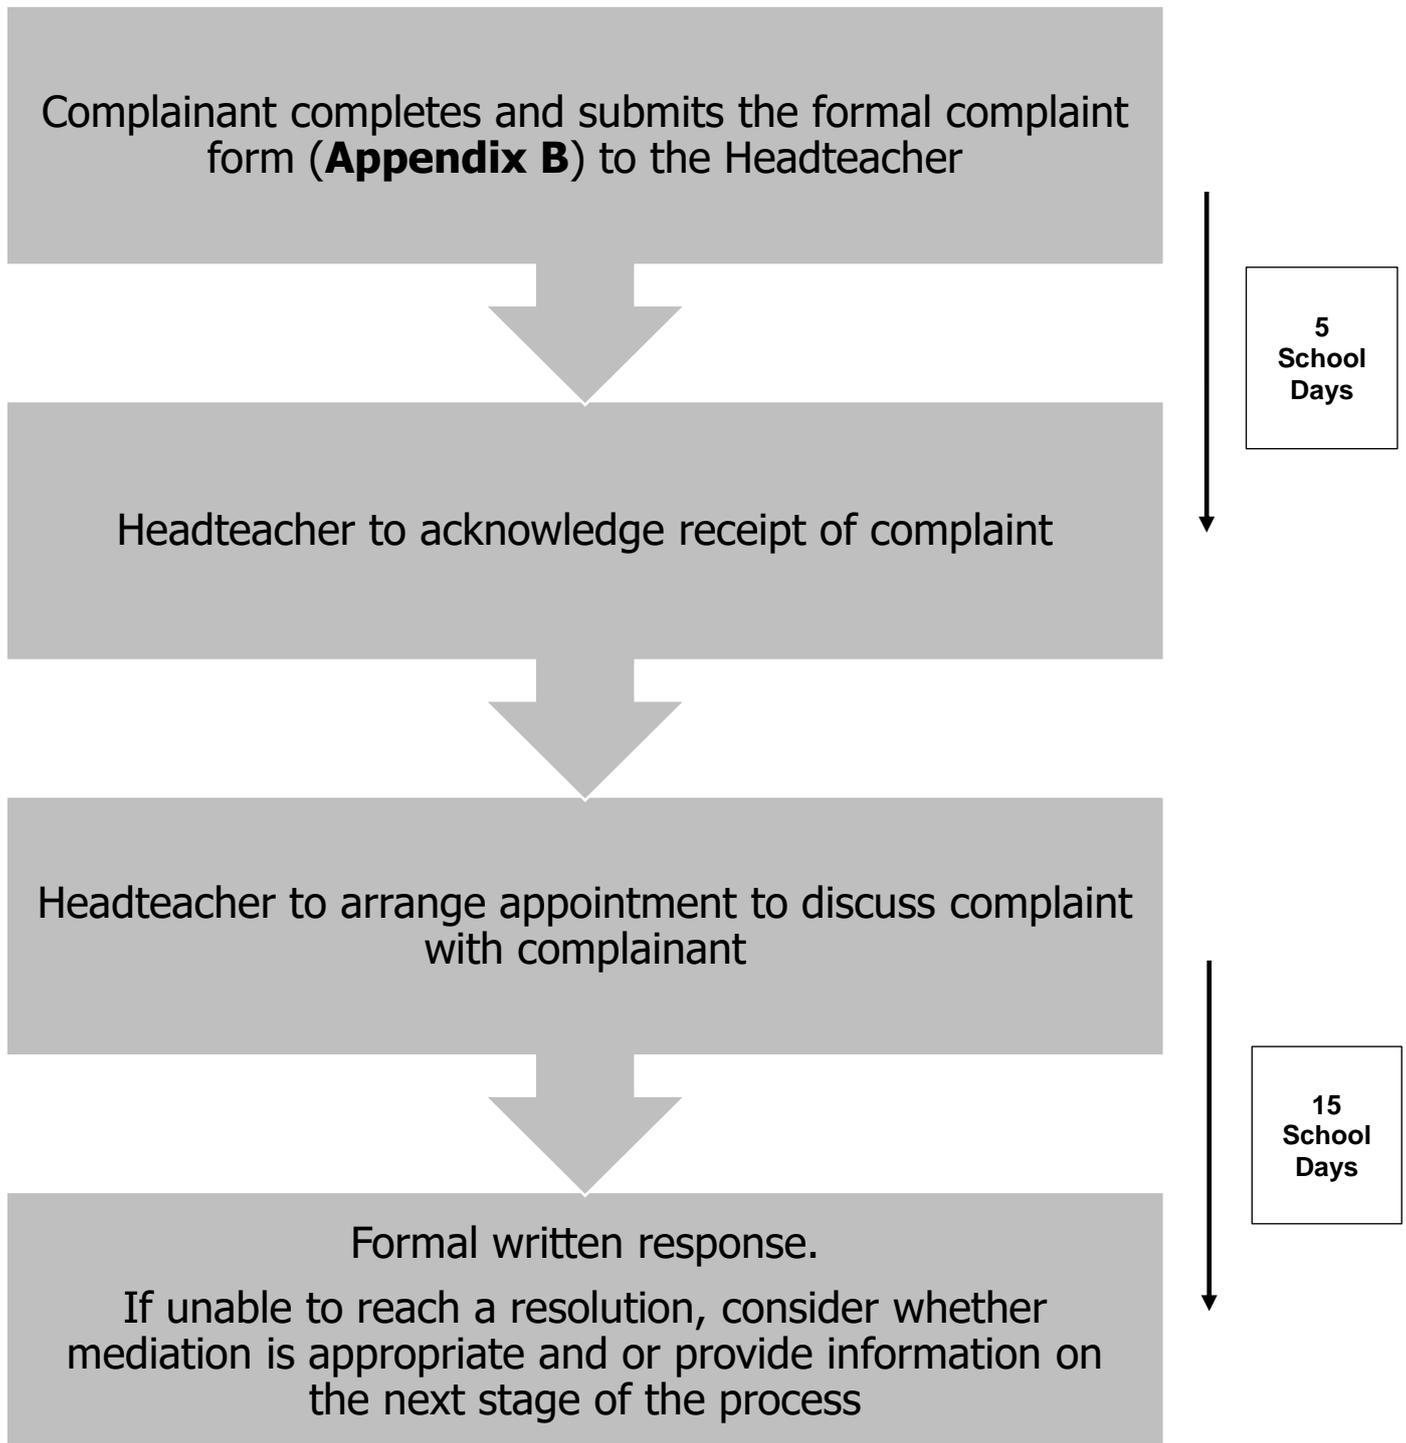

Stage 3 Complaint Review Panel Hearing

- If the complainant believes that their complaint has not been fully addressed at Stage 2, they may request to move to Stage 3. This request must be made within **10 days** of the receipt of the outcome letter at Stage 2.
- Acknowledgement of receipt of request to escalate complaint to Stage 3 to be sent within 5 days.
- Hearing to be held within 30 days of receipt of request to go to Stage 3.

- Paperwork for Stage 3 hearing to be received from all parties at least 7 days before the hearing.
- Paperwork for Stage 3 hearing to be sent to all parties at least 3 days before the hearing.
- Outcome letter from panel to be received by complainant within 10 days of the hearing.

If at any time a child protection concern becomes apparent, the child protection process will take precedence over the complaints process, which will be halted until the child protection matter is resolved.

Formal - Stage 1 – Consideration by the Headteacher (or other appropriate person)

Stage 1 – Headteacher investigation

Complaints will usually only progress to Stage 1 after first being considered at the informal stage, and where the Parent indicates that they intend to escalate a matter to the formal stage.

Formal complaints must be made to the Headteacher (unless they are about the Headteacher or governance) –via the school office. Should the complaint be about the Headteacher or governance the complaint will be considered at Stage 2 of the policy. This may be done in person or in writing (preferably on the Complaint Form (see Appendix A for the contact details of the Headteacher, and Appendix B for a copy of the form). The form is useful as it ensures that relevant information is communicated at the outset.

The Headteacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within **5 school days**.

Within this response, the Headteacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The Headteacher can consider whether a face to face meeting is the most appropriate way of doing this.

Note: The Headteacher may delegate the investigation to another member of the school's senior leadership team but not the decision to be taken.

During the investigation, the Headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the Headteacher will provide a formal written response within **15 school days** of the date of receipt of the complaint.

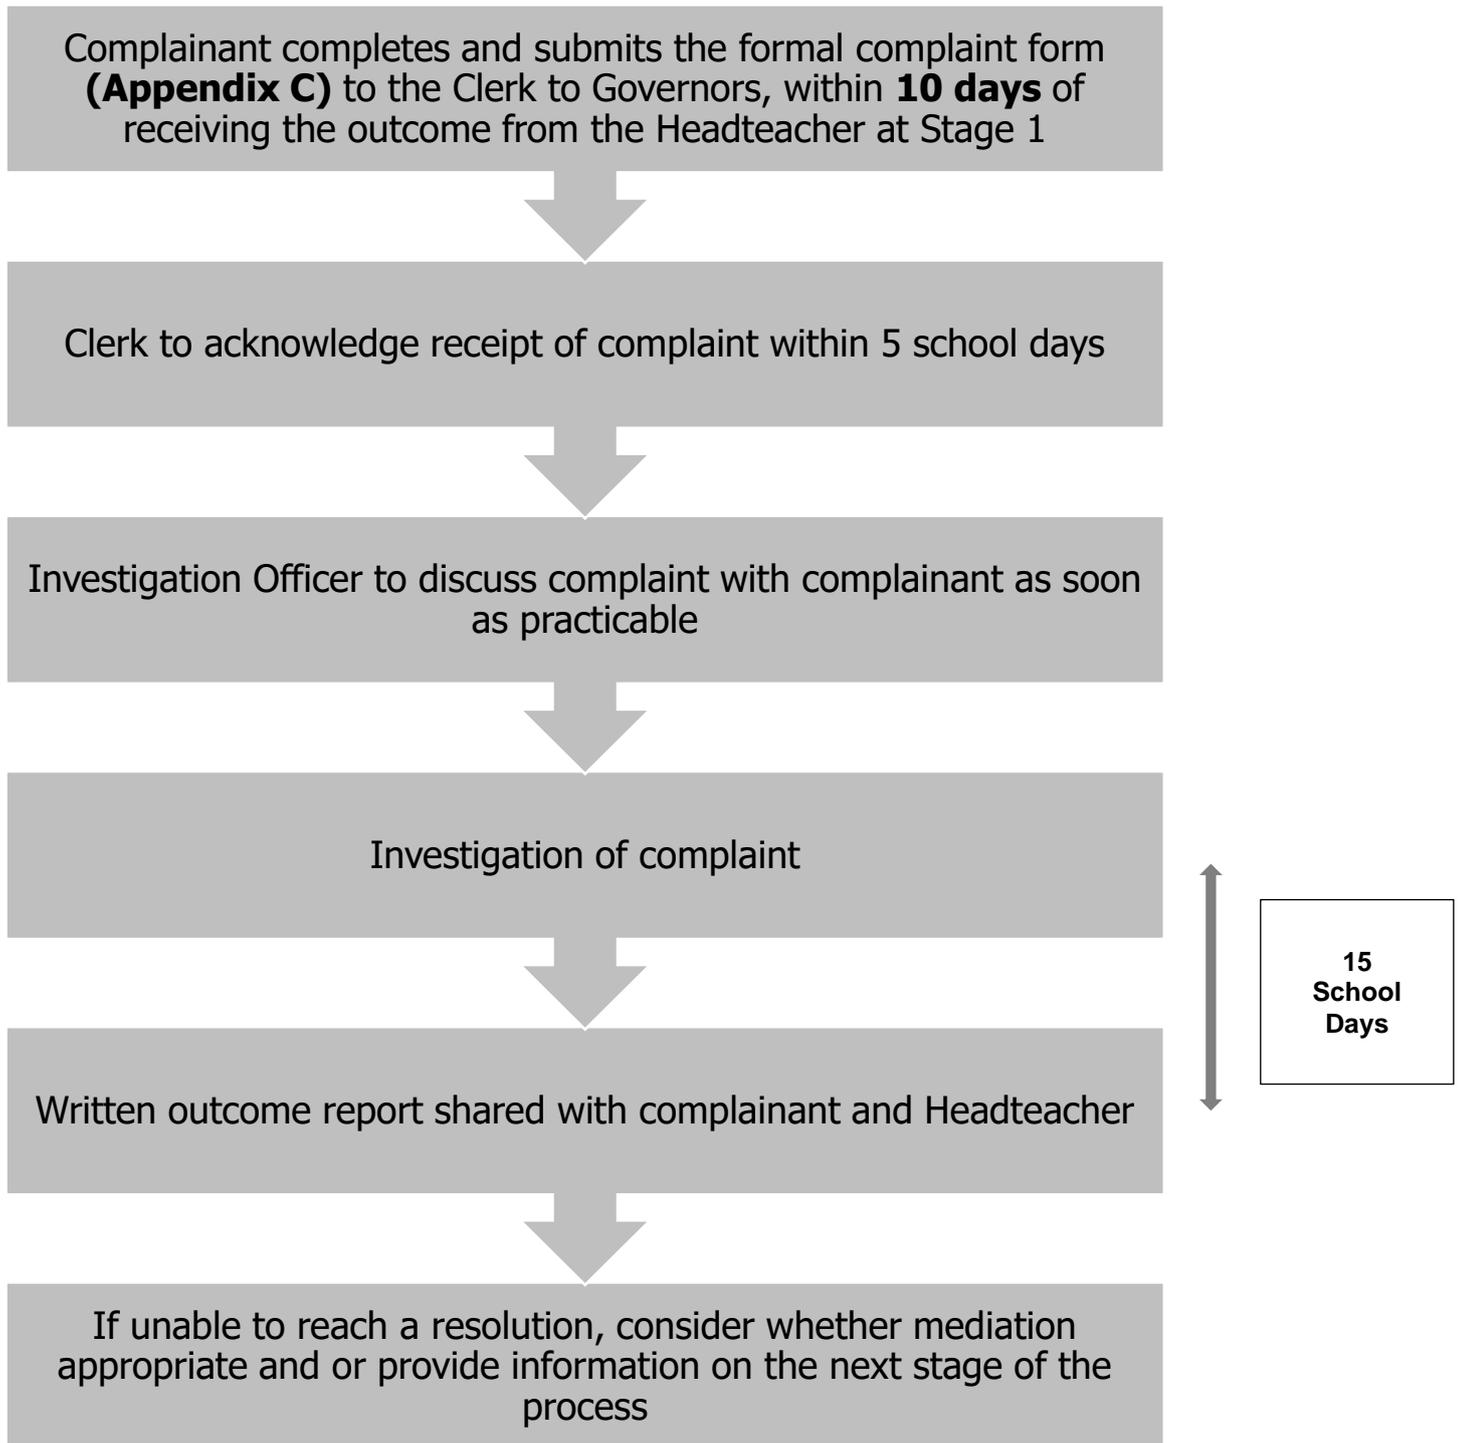

If the Headteacher is unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions The Trust/School will take to resolve the complaint.

The Headteacher will advise the complainant of how to escalate their complaint if they believe it has not been fully addressed at this stage.

Where a complaint is not regarding a child at the School, the Trust reserves the right to deviate from the formal stages of the Complaints policy, to provide a formal response and where possible seek resolution.

Stage 2 Investigation

Stage 2 Investigation

Complaints will usually only progress to Stage 2 after first being considered at Stage 1.

If the complainant believes that their complaint has not been fully addressed at Stage 1, they may request a Stage 2 investigation. This should be done in writing (preferably on the Complaint Form (see Appendix A for the contact details of the Clerk of Governors, and Appendix C for a copy of the form for this stage). Completing the form will facilitate the collection of relevant information and expedite the process.

The investigation of the complaint will be undertaken by either the Chair of Governors/a Nominated Governor/the Executive Principal/Chair of Directors/nominated Director or independent investigating officer. The investigator will have had no prior involvement in the complaint.

Receipt of the complaint form will be acknowledged. In most cases the complainant will be invited to meet with the investigator at the outset of the process. The aim of this meeting is to enable the investigator to understand the scope of the complaint and desired outcomes prior to commencing their investigation.

The investigator will consider all relevant evidence; this may include but is not limited to:

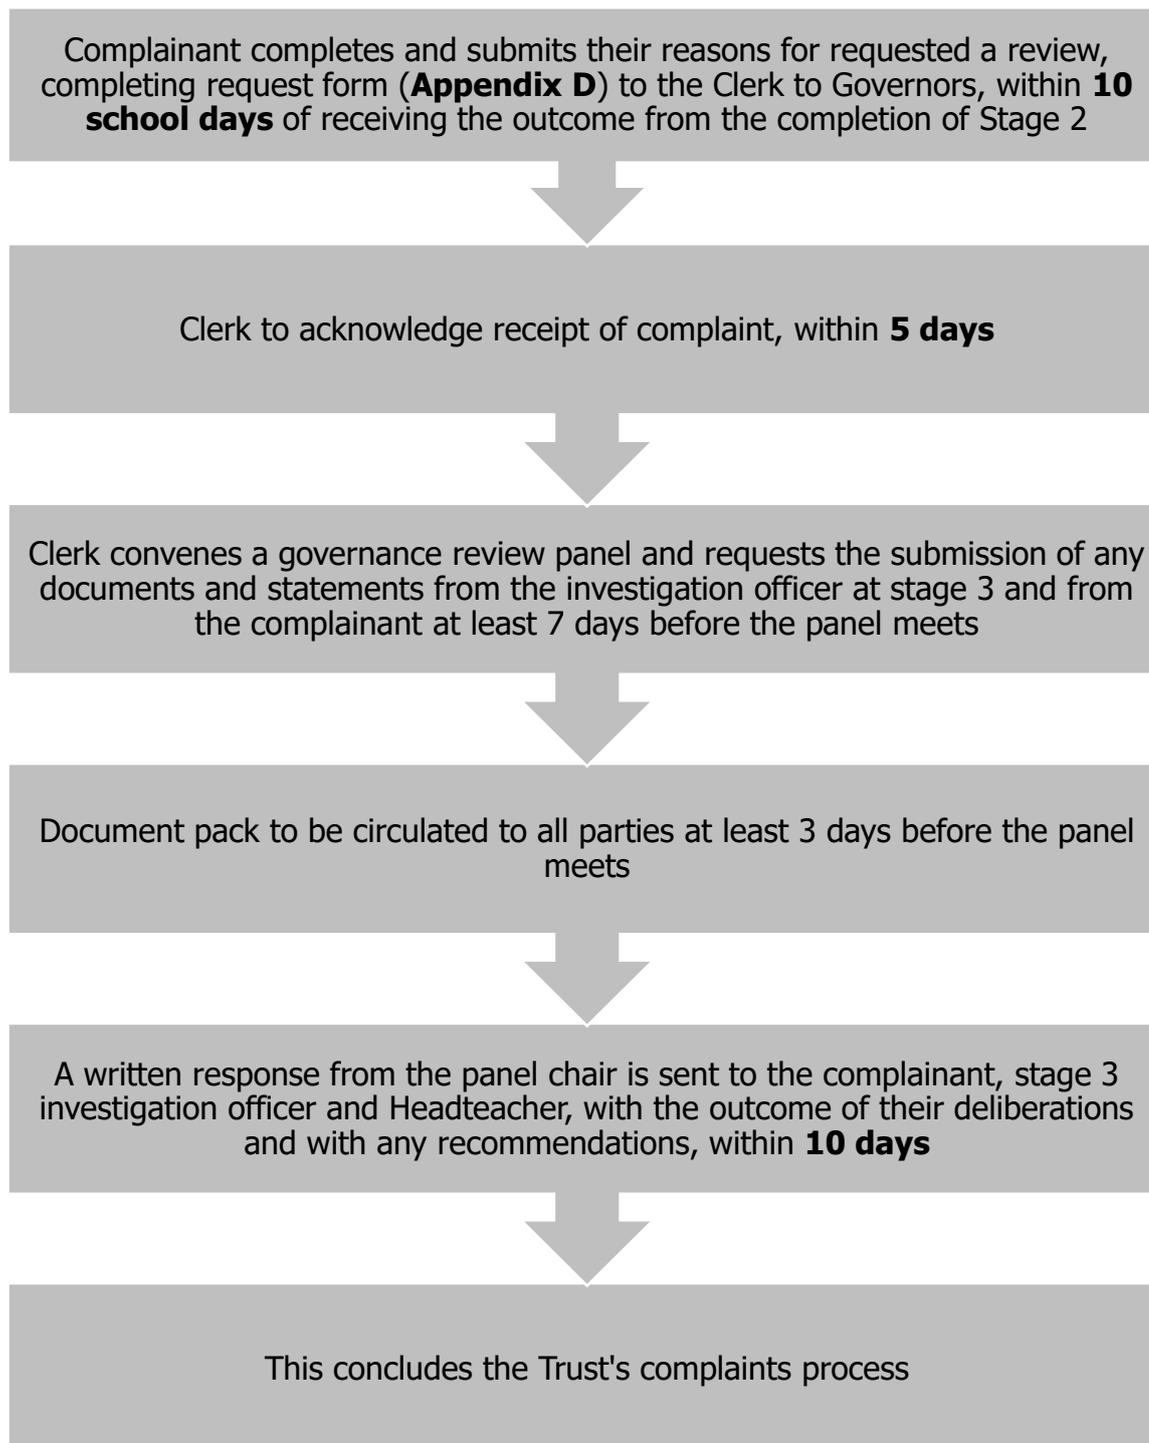

- evidence and outcome from Stage 1 investigation if applicable
- a statement from the complainant
- where relevant a meeting with/statement from an individual who is the subject of the complaint
- any previous correspondence regarding the complaint
- any supporting documents from all parties
- interviews with /statements from anyone related to the complaint
- relevant policies and whether they were followed
- written records will be kept of all meetings and interviews held in relation to the complaint. Personal data may be redacted and names anonymised or cyphered in line with data protection principles.

After considering the available evidence, the investigator may:

- uphold the complaint and direct that certain action be taken to resolve it
- not uphold the complaint and if requested provide the complainant with details of the Stage 3 complaint review process
- uphold the complaint in part: in other words, the investigator may find one aspect of the complaint to be valid, but not another aspect. They may recommend certain action to be taken to resolve any aspect that they find in favour of the complainant.

The investigator should inform the complainant of their decision in writing **within 15 days of receipt of the complaint**. They should explain clearly why they have come to the decision that they made. They should detail any agreed actions as a result of the complaint. Finally, they should provide the complainant with details of how to progress the complaint to Stage 3 if they believe their complaint has not been fully addressed, providing them with the contact details of the Clerk to the Directors Body (Appendix A). Should the complaint not be resolved mediation may be considered using an impartial and objective mediation service.

Stage 3 – Complaint Review Panel

Stage 3 – Complaint Review Panel Meeting

Complaints will usually only progress to Stage 3 after first being considered at Stage 1 and Stage 2.

If the complainant does not believe that their complaint has been fully addressed at Stage 2 and wishes to take the matter further, they can escalate the complaint to Stage 3. To make this request the complainant should complete the form found in Appendix D. This consists of a Panel hearing with at least three panel members involved in school governance who were not directly involved in the matters detailed in the complaint or any previous investigation. One of the Complaint Panel members will be independent of the management and running of the Trust. This means that the independent Complaint Panel member will not be a Director or an employee of the Trust. As such this could be a member of a Local Governance Board at another school within the Trust or someone involved in school governance outside the Trust. The Clerk will establish and convene the panel.

This is the final stage of the Trust's complaints procedure.

The purpose of the panel meeting is to:

- Review whether the Trust has followed its policies and procedures in its management of the complaint
- Consider ways to achieve reconciliation between the School/Trust and the complainant
- The purpose of Stage 3 is not to re-investigate the complaint, but to review how the School / Trust has previously dealt with the complaint.

The role of the Panel is to:

- establish the facts surrounding the complaints that have been made by considering:
 - the documents provided by both parties; and
 - any representations made by the Parents, the Headteacher and the Executive Principal & Chair of Directors;
- to reach a decision, on the balance of probabilities, as to whether each complaint is point is upheld.

Timeline

A request to escalate to Stage 3 must be made to the Clerk, via the school office, within **10 school days** of receipt of the Stage 2 response. Requests received outside of this time frame will only be considered if exceptional circumstances apply and are explained to the Clerk at the same time that the request for a Stage 3 hearing is made.

The Clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within **5 school days**.

The Clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within **30 school days** of receipt of the Stage 3 request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed. If the complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. In this case the Panel will meet with the Clerk in attendance, and consider the complaint on the basis of written submissions from both parties, with neither party being present.

At least **10 school days** before the meeting, the Clerk will:

- confirm and notify both parties of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible and
- inform both parties that copies of any further written material should be submitted to the clerk at least **7 school days** before the meeting. Any evidence submitted after this, including on the day of the hearing, will only be considered in exceptional circumstances with the agreement of the panel, whose decision is final.

Any written material will be collated and circulated by the clerk to all parties so that it is received at least **3 school days** before the date of the meeting. The Panel will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

Attendees at the meeting

The Clerk will invite the following parties as applicable:

- a panel of three people involved in school governance, one or more of whom is independent
- the complainant
- the Headteacher
- investigating member of SLT (if appropriate)
- the Stage 2 investigator, who dealt with the complaint at Stage 2
- relevant witnesses

The complainant may ask to be accompanied to the meeting by a supportive companion, interpreter or advocate. It is not advisable for this person to be a member of the school community, for reasons of confidentiality and to avoid conflict of interest. The complainant must advise the Clerk to the Complaint Review Panel of the name and role of this additional person prior to the hearing, and the Clerk will seek agreement from the chair of the Panel. If the additional person is attending as an advocate, they will be presenting the complainant's case and speaking on their behalf, and therefore the complainant will not be able to address the Panel directly. If the additional person is attending as a supportive companion, they will not be able to address the Panel directly.

If assistance with the request is required, for example because of a disability, please inform the Clerk to Directors who will be happy to make appropriate arrangements.

The Hearing is an internal process, not legal proceedings, and legal representation is therefore inappropriate and unnecessary. If the Parent wishes to be accompanied by a relative or friend who is legally qualified, the Parent is required to notify the Clerk to Directors in the initial request for a Panel meeting. The Parent should note that the Complaint Review Panel will wish to speak to that person directly prior to the meeting, and they will not be permitted to act as an advocate or address the Complaint Panel at the meeting unless invited to do so by the Chair of the Complaint Review Panel.

Representatives from the media are not permitted to attend.

Parents may withdraw their request for a Hearing at any point up to and including the intended date of the panel meeting.

Conduct of the meeting

The aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant. We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations. Financial compensation is not a possible outcome of the process.

The Panel will consider the complaint as submitted at Stage 1 and 2. Any new issues will need to be dealt with by a separate complaint procedure.

The Panel will not only consider the handling of the complaint at the previous stages, but will also consider those aspects of the original complaint which the complainant believes have not been fully addressed.

The meeting will be held in private and is confidential. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or additional needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations are recorded. Consent will be recorded in any minutes taken. No notes or other records or oral statements

about any matter discussed in or arising from the proceeding shall be made available directly or indirectly to the press or other media (including social media).

The Complaint Review Panel members will appoint one of their number to be the Chair of the Complaint Review Panel throughout the proceedings.

The format of the meeting is that the complainant is given a set amount of time to make their case. The Panel and the school may then ask the complainant questions for clarification. The school then has the same amount of time to make their case. The Panel and complainant then have the opportunity to seek clarification from the school. Both parties then leave the meeting and the Panel will deliberate.

All those present during the meeting are expected to show courtesy, restraint and good manners or, after due warning, the meeting may be adjourned or terminated at the discretion of the Chair. Any person who is dissatisfied with any aspect of the way the meeting is conducted must say so before the proceedings go any further and his/her comment will be minuted.

The Panel will consider the complaint and all the evidence presented and will come to their decisions on the balance of probabilities. The Panel can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part
- determine that all or part of the complaint is out of their scope to consider.

If the complaint is upheld in whole or in part, the Panel will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the Panel will provide the complainant and the Trust with a full explanation of their decision and the reason(s) for it, in writing, and a copy of the minutes of the Panel hearing, within **10 school days**.

The letter to the complainant will include details of how to contact the Education and Skills Funding Agency (ESFA) if they believe that their complaint has been handled unreasonably or unlawfully by the Trust.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the Trust / School will take to resolve the complaint.

The panel will ensure that those findings and recommendations are sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about. Furthermore, they will be available for inspection on the school premises by the proprietor and the Headteacher.

A written record will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a panel hearing, along with what actions have been taken, regardless of the decision.

All correspondence statements and records relating to individual complaints will be kept confidential, except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

The complaint investigator/the Chair of the Complaint Review Panel will ensure that a copy of all relevant information relating to the complaint is kept at the school in a secure, confidential file, separate from staff and pupil records. This information should be retained for six years from the date of the complaint, in line with guidance from the Information and Records Management Society (www.irms.org.uk) and in accordance with the principles of the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR). The complainant should be informed that this will be done.

If a duplicate complaint is received by a new complainant following completion of the Stage 3 procedure, the School will inform the new complainant that the matter is closed.

School staff

Complaints against school staff are dealt with by the Headteacher (Stage 1). If unresolved by the Executive Principal (Stage 2).

Complaints against the Headteacher are dealt with by the Executive Principal (Stage 2).

Governors

If the complaint is:

jointly about the Chair and Vice Chair or
the entire Local Governance Board or
the majority of the Local Governance Board

Stage 3 will be heard by a committee of Directors.

Complaints escalated to/about the Trust, Executive Principal or Director

If a complaint is escalated to the Trust or if a complainant wishes to complain directly about the Trust, then the complaint should be sent to the Executive Principal, via the Clerk to Directors, to be investigated.

The Executive Principal will write to the complainant acknowledging the complaint within **5 school days** of the date that the written request was received. The acknowledgement will confirm that the complaint will now be investigated under Stage 2 of this Complaints Policy and will confirm the date for providing a response to the complainant.

If a complaint is made about the Trust, Executive Principal or Director by a non-parent or is not regarding a child at the School, we reserve the right to deviate from the formal stages of the Complaints policy, to provide a formal response and where possible seek resolution.

Following the investigation, the Executive Principal will write to the complainant confirming the outcome within **15 school days** of the date that the letter was received. If this time limit cannot be met, the Executive Principal will write to the Complainant explaining the reason for the delay and providing a revised date.

If the complaint concerns the Executive Principal or a Director, the complaint should be investigated by the Chair of the Trust Board. If a formal complaint form is received about the Chair, the complaint will be referred to the Vice Chair for investigation.

NB. Where the Chair of the Trust Board has investigated the complaint, they will write the letter of outcome to the Complainant and provide a copy to the Executive Principal.

If the complainant is not satisfied with the outcome of the previous stage, the complainant should write to the Clerk to Directors asking for the complaint to be heard before a Complaint Review Panel, within 10 school days. The procedure will mirror that outlined under Stage 3 – Panel Hearing above.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire trust board or
- the majority of the trust board

the complaint will be heard by a completely independent panel.

Possible further action

ESFA

If the complainant believes the School/Trust did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the ESFA after they have completed Stage 3.

The ESFA will not normally reinvestigate the substance of complaints or overturn any decisions made by the Trust. They will consider whether the Trust has adhered to education legislation and any statutory policies connected with the complaint and whether they have followed [Part 7 of the Education \(Independent School Standards\) Regulations 2014](#).

In general, the ESFA will only consider a complaint after it has been through the Trust's own procedure. The ESFA will look at complaints about academies that fall into the following areas:

- Undue delay or non-compliance with a trust's own complaints procedure
- A trust's failure to comply with a duty imposed on it under its funding agreement with the Secretary of State.
- A trust's failure to comply with any other legal obligation, unless there is another organisation better placed to consider the matter.

The complainant can refer their complaint to the ESFA online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:

It is Ofsted's expectation that all "local routes" are exhausted before any contact is made to them.

Ofsted has specific powers (under sections 11 A-C of the Education Act 2005 (as amended)) to investigate certain complaints about academies, known as qualifying complaints. *Generally, the complainant must have followed the trust's own complaints procedure before referring to Ofsted. Roles and Responsibilities

Complainant

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- co-operate with the school in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising the details of their complaint on social media and respect confidentiality.

Investigator

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
 - sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved
 - interviewing staff and children/young people and other people relevant to the complaint
 - consideration of records and other relevant information
 - analysing information
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal
- be mindful of the timescales to respond
- prepare a comprehensive report for the head teacher or complaints committee that sets out the facts, identifies solutions and recommends courses of action to resolve problems.
- The head teacher or complaints committee will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

Complaints Co-ordinator

(This could be the headteacher or Executive Principal / designated complaints governor or director or other staff member providing administrative support)

The complaints co-ordinator should:

- ensure that the complainant is fully updated at each stage of the procedure
- liaise with staff members, headteacher, Executive Principal, Chair of Governors, Chair of Trust or the Clerk and to ensure the smooth running of the complaints procedure
- be aware of issues regarding:
 - sharing third party information

- additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person
- keep records.

Clerk to the Governing Body / Trust Board

The Clerk is the contact point for the complainant and the committee and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- set the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible
- collate any written material relevant to the complaint (for example: stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale
- record the proceedings
- circulate the minutes of the meeting
- notify all parties of the committee's decision.

Committee Chair

The committee's chair, who is nominated in advance of the complaint meeting, should ensure that:

- both parties are asked (via the Clerk) to provide any additional information relating to the complaint by a specified date in advance of the meeting
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the complainant is a child/young person
- the remit of the committee is explained to the complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR.

If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting

- both the complainant and the school are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the committee is open-minded and acts independently
- no member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- the meeting is minuted
- they liaise with the Clerk (and complaints co-ordinator, if the school has one).

Committee Member

Committee members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so

No governor / trustee may sit on the committee if they have had a prior involvement in the complaint or in the circumstances surrounding it.

- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant

We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.

- many complainants will feel nervous and inhibited in a formal setting

Parents/carers often feel emotional when discussing an issue that affects their child.

- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting

Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.

The committee should respect the views of the child/young person and give them equal consideration to those of adults.

If the child/young person is the complainant, the committee should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the committee should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend.

However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the committee considers is not in the child/young person's best interests.

- **the welfare of the child/young person is paramount.**

Procedure for managing serial and unreasonable complaints

The Trust is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with our school. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

The Trust defines unreasonable behaviour as that which hinders our consideration of complaints because of the frequency or nature of the complainant's contact with the school, such as, if the complainant:

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance
- refuses to co-operate with the complaints investigation process
- refuses to accept that certain issues are not within the scope of the complaints procedure
- insists on the complaint being dealt with in ways which are incompatible with the complaints procedure or with good practice
- introduces trivial or irrelevant information which they expect to be taken into account and commented on
- raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced
- changes the basis of the complaint as the investigation proceeds
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed)
- refuses to accept the findings of the investigation into that complaint where the school's complaint procedure has been fully and properly implemented and completed including referral to the Department for Education
- seeks an unrealistic outcome
- makes excessive demands on school time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with
- uses threats to intimidate
- uses abusive, offensive or discriminatory language or violence
- knowingly provides falsified information
- publishes unacceptable information on social media or other public forums.

Complainants should try to limit their communication with the school that relates to their complaint, while the complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text), as it could delay the outcome being reached.

Whenever possible, the Headteacher /Chair of Governors / Executive Principal / Chair of the Trust will discuss any concerns with the complainant informally before determining that they may be acting "unreasonably".

If the behaviour continues, the Headteacher will write to the complainant explaining that their behaviour is unreasonable and ask them to change it. For complainants who excessively contact School / Trust causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will be reviewed after six months.

In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from the School.

Procedure for managing complaint campaigns

In the rare event that the school receives a large volume of complaints all based on the same subject, from complainants unconnected with the school, we will either send a template response to all complainants or publish a single response on the school's website.
